**Joe Roundy**, CISSP, Cybersecurity Program Manager at Montgomery College Maryland, manages the College's new cybersecurity lab, works with faculty and staff to develop and managing the new cybersecurity lab and networking curricula and oversees outreach activities including competitions and training opportunities developed with industry partners. Prior to holding this position, Mr. Roundy was the Manager of IT Security for Montgomery College, managing the team of security engineers responsible for the IT security of systems and network within the College environment. He has also worked as security analyst at the House of Representatives and FINRA (formerly the NASD), and managed the Security practice for International Network Services (INS) and large networking and security consulting firm. Mr. Roundy holds a Bachelor's Degree in Computer Science and Master's Degree in Computer Systems Management both from The University of Maryland University College.

**Dieter Klinger** joined Montgomery County in 1998 and is now the Chief Operating Officer for the Department of Technology Services. Mr. Klinger has over 30 years of experience in Information Technology including senior-level leadership in both the private and public sectors. He oversees day-to-day Enterprise Information Technology support and operations for the County Government, including all Enterprise systems: ERP, MC311, PS Data Systems, Fibernet, 800 MHz radio system. Responsibilities include managing \$45M+ operating budget and 150 staff; and supporting capital programs including Tech Mod and Public Safety System Modernization. Mr. Klinger has a Master of Science Information Technology, from the University of Maryland University College and a Bachelor of Science Civil Engineering, from the University of Maryland College Park.
