

Fund for Montgomery

A fund of The Community Foundation in Montgomery County

Now more than ever, our country and our community need meaningful activities that bring us together to demonstrate our unity and celebrate our diversity. Montgomery County's long and proud tradition of welcoming new people and new businesses to our community is why we have become a magnet for talented people from across the country and around the world.

Thanks to private financial support from businesses, foundations, and individuals, the Montgomery County community has been able to continue to gather and celebrate our diverse community and dedication to service and volunteerism while reducing reliance on taxpayer dollars. Since 2011, the Fund for Montgomery has raised more than \$900,000 from private partners to support and enhance valued community events.

In addition to the county's signature events listed above, the Fund for Montgomery also sponsors other heritage celebration events— all aimed at encouraging volunteerism, promoting community engagement, and celebrating our diverse community.

Since its founding in 2011, the Fund for Montgomery has become recognized as an effective provider of support to Montgomery County with a measurable impact within the community. County Executive Leggett is very appreciative of what the Fund for Montgomery has done to celebrate our culture of service and inclusion.

2018 promises to be an exciting year for the Fund for Montgomery. We invite you to become a part of this growing tradition, joining such celebrated County institutions as Comcast, Carl M. Freeman Foundation, Marriott, Pepco, Southern Management, Verizon, and dozens of other businesses and foundations.

If your firm is able to become a 2018-2019 sponsor of the Fund for Montgomery, please let us know as soon as possible so you will be recognized in the materials we are now preparing for two of our most celebrated events: our annual Martin Luther King Jr. Day of Service at four locations throughout the County where thousands of volunteers honor Dr. King's Day as a Day ON, not a Day OFF; and our annual MLK Day Birthday and Celebration at The Music Center at Strathmore.

To join as a 2018-2019 sponsor or to ask questions about the Fund, please email Bruce Adams, Director of Montgomery County's Office of Community Partnerships at bruce.adams@montgomerycountymd.gov.
