Choose a project and apply

1. Learn about types of projects at RainScapes.org.
2. Choose a project.
3. Go to RainScapes.org and click Apply Now!

Get approval and install your project

2. A RainScapes planner will contact you to schedule an on-site visit. (Exception: Rain barrel applications do not require a preliminary site visit.)
3. During the site visit, your planner will help you determine whether the project that you chose is best suited for your property and will identify your next steps.
   NOTE: Before a rain garden, conservation landscape, or green roof can be approved, you must submit a scaled planting plan and plant list for staff review. (Download HOW TO MAKE A PLANTING PLAN from the Resources section of RainScapes.org.)
4. When your project is approved for the RainScapes Rewards Rebate program, RainScapes staff will email you a Property Owner Agreement (POA). Click the link in the email to electronically sign the POA.
5. Now you may install your project.

Finish and get a rebate

3. When your project is complete, contact your RainScapes planner to schedule a final inspection.
4. Submit copies of project receipts (via mail, email, or in person during your final inspection.)
5. After passing the final inspection, you will receive a rebate check in 4-6 weeks.

NOTE: Properties located in the City of Gaithersburg, City of Rockville, or City of Takoma Park are not eligible for the Montgomery County RainScapes Program. Contact those municipalities directly for information on their programs.
